Part numbers

Dispenser:	30-551-5000
Overshoes:	30-551-5001

How to fill in the dispenser

- 1- Open the box
- 2- Push the side rails up to the click
- 3- Bind the 10-packed overshoes to the rings at each angle (up to 5 packs)
- 4- Unclick the side rails by pushing them
- 5- Close the dispenser which is now ready to use

How to use the dispenser

- Put one foot after the other in the dispenser and push the pedal to the end.
- The overshoe is then automatically put around the shoe
- The conductive ribbon should be manually adjusted into the shoe.
